Wherever life takes you, take Gia.

Life is full of adventures. And whether your next adventure takes you up a mountain or just up that extra set of stairs, take Gia along. With Gia, you've got a guide to your health and your health plan every step of the way.

Gia connects you to a real, live doctor fast.

Whether you need care, help with a health condition, or support to get healthier, doctors are available 24/7 by text or video in the app. They're even there when you just need a trustworthy answer to a health question.

Gia connects you to your health plan, too.

See progress toward your deductibles and limits for any member on your plan, view and share your ID cards, and find doctors—all in one location. You can access detailed claim information such as charges, savings, and even electronic Explanation of Benefits statements, when available.
